

Area businesses can take advantage of an exclusive offer in an exclusive location!

CORNER BILLBOARD ADS

...ATTRACT THE CUSTOMERS YOU WANT WITH REPETITIVE ADVERTISING THROUGHOUT THE WHITE PAGES SECTION

Telephone companies have always connected potential customers to businesses by giving consumers a quick, effective tool in locating information. Now your local telephone directory offers you a unique way to attract customers...Corner Billboard Ads. Customers can now view your ad multiple times in the White Pages and are more likely to remember your ad from all the impressions they see.

Exclusive Location

- Your business ad will appear throughout the White Pages in the uppermost outside corners of two facing pages.
- As customers leaf through the White Pages they will see your business ad time and time again. Imagine all the exposures and impressions your ad will leave in their minds.
- High visibility, 24 hours a day, 365 days a year.

In the world of advertising nothing calls out attention to a customer more than the number of impressions your ad leaves. Dominate your customers' attention with a repetitive ad they consistently will see throughout the White Pages. Corner Billboard Ads in the White Pages will help get your name out there!

What better way to attract customers than by advertising in the White Pages of a directory!
